

# Web Application Penetration Testing Syllabus

## LEVEL I

<b>Introduction, OWASP Top 10</b>	<b>2 Hours - Day 1</b>
-----------------------------------	------------------------

<b>Installing Lab</b>	<b>2 Hours - Day 2</b>
-----------------------	------------------------

<b>Enumeration</b>	<b>2 Hours - Day 3</b>
--------------------	------------------------

<b>Vulnerability Scanning</b>	<b>2 Hours - Day 4</b>
-------------------------------	------------------------

<b>Introduction to burpsuite,Authentication bypass using burpsuite</b>	<b>2 Hours - Day 5</b>
--	------------------------

<b>Html injection, Introduction about cookie</b>	<b>2 Hours - Day 6</b>
--	------------------------

<b>XSS (reflected, stored, DOM)</b>	<b>2 Hours - Day 7</b>
-------------------------------------	------------------------

<b>XSS Advance</b>	<b>2 Hours - Day 8</b>
--------------------	------------------------

<b>Introduction to BeeF and browser Hijack</b>	<b>2 Hours - Day 9</b>
--	------------------------

<b>Cookie stealing and session Hijack</b>	<b>2 Hours - Day 10</b>
---	-------------------------

<b>Broken Access Control</b>	<b>2 Hours - Day 11</b>
------------------------------	-------------------------

<b>Broken session and security misconfiguration</b>	<b>2 Hours - Day 12</b>
---	-------------------------

<b>Using Components with Known Vulnerabilitie</b>	<b>2 Hours - Day 13</b>
---	-------------------------

<b>Uploading web shell</b>	<b>2 Hours - Day 14</b>
----------------------------	-------------------------

<b>Uploading web shell filter bypass Evaluation</b>	<b>2 Hours - Day 15</b>
---	-------------------------

<b>Path traversal, LFI and RFI basic</b>	<b>2 Hours - Day 16</b>
--	-------------------------

<b>LFI RFI advance</b>	<b>2 Hours - Day 17</b>
------------------------	-------------------------

<b>Lab solving</b>	<b>2 Hours - Day 18</b>
--------------------	-------------------------

<b>Lab solving</b>	<b>2 Hours - Day 19</b>
--------------------	-------------------------

**Lab solving**

**2 Hours - Day 20**

---

## LEVEL II

---

<b>Introduction to A1 Vulnerabilities</b>	<b>2 Hours - Day 1</b>
---	------------------------

<b>Advance Burpsuite (repeater, sequencer, decoder)</b>	<b>2 Hours - Day 2</b>
---	------------------------

<b>Error Based SQL injection for GET method basic and advance</b>	<b>2 Hours - Day 3</b>
---	------------------------

<b>Error Based SQL injection for POST method basic and advance</b>	<b>2 Hours - Day 4</b>
--	------------------------

<b>Boolean based SQL injection basic</b>	<b>2 Hours - Day 5</b>
--	------------------------

<b>Boolean based SQL injection advance</b>	<b>2 Hours - Day 6</b>
--	------------------------

<b>Time based SQL injection</b>	<b>2 Hours - Day 7</b>
---------------------------------	------------------------

<b>WAF bypassing</b>	<b>2 Hours - Day 8</b>
----------------------	------------------------

<b>Web shell uploading using SQL injection</b>	<b>2 Hours - Day 9</b>
--	------------------------

<b>XPATH injection basic and advance</b>	<b>2 Hours - Day 10</b>
--	-------------------------

<b>XXE Injection</b>	<b>2 Hours - Day 11</b>
----------------------	-------------------------

<b>OS Command Injection and handling web server</b>	<b>2 Hours - Day 12</b>
---	-------------------------

<b>CSRF for GET method</b>	<b>2 Hours - Day 13</b>
----------------------------	-------------------------

<b>CSRF for POST method</b>	<b>2 Hours - Day 14</b>
-----------------------------	-------------------------

<b>CSRF Filter Bypass</b>	<b>2 Hours - Day 15</b>
---------------------------	-------------------------

<b>CTF Lab Solving</b>	<b>2 Hours - Day 16</b>
------------------------	-------------------------

<b>CTF Lab Solving</b>	<b>2 Hours - Day 17</b>
------------------------	-------------------------

<b>CTF Lab Solving</b>	<b>2 Hours - Day 18</b>
------------------------	-------------------------

<b>CTF Lab Solving</b>	<b>2 Hours - Day 19</b>
------------------------	-------------------------

<b>CTF Lab Solving</b>	<b>2 Hours - Day 20</b>
------------------------	-------------------------
